Dear Fellow Professional,

Thank you for making a referral to Key Point Health Services Adult Psychiatric Rehabilitation Program (PRP).

Please Follow the Three Step Referral Process:

1. Confirm the client is interested in Psychiatric Rehabilitation Day Program Services.
2. Complete the one page Referral Form.
3. Forward the completed Form. Please use the fax number listed for the location best suited for the client.

Considerations for the Referral Process:

1. Clients that have Medical Assistance may start services within a week of receiving the returned referral information.

2. Clients that have only SSDI and Medicare as their primary are considered uninsured for PRP. Presently uninsured clients have no guarantee of authorization from Beacon Health and therefore may take longer to be approved for services.

A Licensed Mental Health Professional’s signature is required on the referral form. In order to establish and maintain eligibility for Key Point Health Services, individuals should remain under the care of a psychiatrist and/or therapist while in the program.
